

## ADOLESCENT INPATIENT PSYCHIATRIC PROGRAM

Roxbury Treatment Center's inpatient psychiatric program for adolescents is designed to treat youth ages 13-17. We provide acute psychiatric stabilization and co-occurring substance abuse treatment in a caring and nurturing environment while focusing on the individual needs of each patient.

### PSYCHIATRIC STABILIZATION

- Thorough psychiatric evaluation
- Full-time psychiatrist on staff and available 24-hours daily
- Continued medication management and education
- Nursing care 24-hours daily
- Individual counseling
- Group therapy
- Family therapy
- Allied therapies to include art, music, and recreation
- Academic services
- Strengths based treatment
- Individualized treatment care planning

## CO-OCCURRING DISORDER TREATMENT

- Thorough substance abuse evaluation
- Substance abuse education
- Referral to continuing substance abuse treatment after discharge

## FAMILY FOCUS PROGRAM

Roxbury values the importance of family in the on-going recovery of their loved ones in treatment. To help assist in this process, our clinical team has developed a Family Focus Program to assist in this process and provide families and adolescent's with psycho-education groups on a variety of topics. This once a week treatment group is open to families who currently have a child on our inpatient unit.

## HOW TO MAKE A REFERRAL

- Roxbury's admission department is available 24-hours a day 7 days a week by calling 717-530-2206.

## PAYMENT

- Roxbury contracts with nearly all managed care organizations including TRICARE®. In addition, we accept Pennsylvania Managed Medicaid.
- As healthcare coverage varies and referral criteria apply, please let us assist you in determining important benefit information. Assessment and pre-authorization is available by appointment and free of charge.

TRICARE® is a registered trademark of the TRICARE® Management Activity. All rights reserved.
