

ADULT INPATIENT SUBSTANCE ABUSE PROGRAM

Roxbury Treatment Center's adult inpatient substance abuse program includes detoxification and rehabilitation services. We specialize in the treatment of co-occurring disorders and believe treating the substance and mental health disorders together produces the best outcome for our patients.

DETOXIFICATION PROGRAM

- Detoxification services conducted under close medical supervision
- Medical assessment and care provided 24-hours daily

REHABILITATION PROGRAM

- Individual and group therapy
- 12- Step programming
- Individualized treatment care planning
- Individualized after care and crisis planning
- Yoga, meditation, and relaxation groups

Toll-Free: 1-800-648 HOPE (4673)

CO-OCCURRING DISORDER TREATMENT

- Psychiatric evaluations with follow-up consultation and medication management
- Mental health specific groups
- Full time psychiatrist on staff and available 24-hours daily
- After care planning includes both mental health and substance abuse services

FAMILY EDUCATION PROGRAM

- Monthly meeting for all family members of current patients
- Education on addiction, co-occurring disorders, and familial impacts of addiction

HOW TO MAKE A REFERRAL

- Roxbury's admission department is available 24-hours a day 7 days a week by calling 717-530-2206.

PAYMENT

- Roxbury contracts with nearly all managed care organizations including TRICARE®. In addition, we accept Pennsylvania Managed Medicaid.
- As healthcare coverage varies and referral criteria apply, please let us assist you in determining important benefit information. Assessment and pre-authorization is available by appointment and free of charge.

TRICARE® is a registered trademark of the TRICARE® Management Activity. All rights reserved.
